Rheolau/To Be Run according to the Rules

1. The Judge will take into account the suitability of the bridle and bit, based on the Rider's competence and the way the pony is going in the Class.
2. Fences will be of 'Hunting Type' built with rustic materials and be as substantial as possible. The course will be free flowing to encourage natural paces in both plaited and native ponies/horses.
3. Riders will be encouraged to walk the course on foot before their class.
4. A Rider can ride up to 2 ponies or horses in the jumping (no change of rider is allowed).
5. No change of Rider or Tack is allowed between phases or during a phase. Protective boots may be used in the jumping phase.
6. In the event of a tie the highest jumping mark followed by the individual performance mark followed by the conformation mark will prevail. If all three marks are the same the judge's decision is final.

Judging Format
Each competitor will come into the ring one at a time and complete the jumping phase, those not eliminated will be asked to complete a short individual show immediately after the jumping phase. Coffee & Walnut Cake - Ingredients

250g pack softened butter, plus extra for the tins
100ml strong black coffee (made with 2 tbsp coffee granules), cooled
280g self raising flour
250g golden caster sugar
½ tsp baking powder
4 eggs
1 tsp vanilla extract
85g walnuts

2 tbsp roughly chopped, the rest finely chopped

For the filling

100g icing sugar sifted, plus a little extra for dusting
150ml double cream
100g mascarpone at room temperature

Method Step 1

Heat oven to 180c/160cfan/gas 4. Butter 2 x 20cm springform cake tins and line with baking parchment. Set aside 2 tbsp of the coffee for the filling.

Method Step 2

Beat the butter, flour, sugar, baking powder, eggs, vanilla and half the remaining coffee in a large bowl with an electric whisk until lump-free. Fold in the finely chopped walnuts, then divide between the tins and roughly spread. Scatter the roughly chopped walnuts over one of the cakes. Bake the cakes for 25-30 minutes until golden and risen, and a skewer poked in comes out clean. Drizzle the plain cake with the remaining coffee. Cool the cakes in the tins.

Method Step 3

Meanwhile, make the filling : beat together the icing sugar, cream and mascarpone, then fold in the reserved 2 tbsp coffee. Spread over the plain cake, then cover with the walnut-toppped cake and dust with a little icing sugar.
